

Dr. Gray's Sunday Snapshot

Week of June 11th, 2018

Good Evening King School families, this is Dr. Gray with your Sunday Snapshot for the week of June 11th, 2018.

- Our 4th grade Maker's Day will take place throughout the school day on Wednesday June 13th.
- This year's Mock Trial final presentation will be held on Wednesday June 13th at 6:30pm. Please come out to support our 5th grade Mock Trial students. For more information please contact Mrs. Torres or Ms. Kaiser.
- School will be closed on Friday June 15th in recognition of Eid al-Fitr.
- Students, you might want to close your ears on this one... Parents, on the right hand column of our school website homepage, we have two optional packets of math lessons for students to complete over the summer. One packet is to help 4th grade students get ready for 5th grade math, and one packet is to prepare our 5th grade students for middle school. If you have any questions, please feel free to contact your child's current math teacher.
- Since school will not be in session on Friday, Thursday's school spirit day will be "**Red, White, & Blue Day**" in recognition of Flag Day.

I hope you and your families have a positive and productive week!

"Let's Remember to Stay Connected"
