

Martin Luther King School

*“Where our students and staff are Poised, Positive and Productive”*

## **Dr. Gray’s Sunday Snapshot**

Week of September 9th, 2019

Good Evening King School families, this is Dr. Gray with your Sunday Snapshot for the week of September 9<sup>th</sup>. Parents, we had a successful school opening, and I hope each child enjoyed their first three days of the new school year at King.

- Parents, I want to make you aware of new procedures whenever you will be entering King School. Please make sure you have your Driver’s License or State ID, and be prepared to present it in front of the camera after ringing the doorbell. Please know these procedures are not designed to be an inconvenience. They have been instituted to help ensure the safety and well-being of our students and staff. Thank you for your support and understanding.
- If you haven’t done so already, parents, we ask that you complete the forms from the “welcome packet” your child received on opening day, and send them to school with your child as soon as possible.
- On Monday September 9<sup>th</sup> at 9:00am, our band teacher, Mr. Plesnarski, and our orchestra teacher, Ms. Schilla, will conduct a Music Demo assembly. Representatives from The Music Shop will be sharing information and conducting demonstrations about

the various instruments students can play if they elect to join our school band or orchestra programs. All of our 4<sup>th</sup> grade students will attend the assembly, as well as any 5<sup>th</sup> grade students who are new to King School. Mr. Plesnarski and Ms. Schilla are available to assist interested students in selecting an instrument, and will send home information about instrument rental.

- Students, each Friday of the school year, we will have a school spirit day. This Friday's spirit day is "**Black & Gold Day**". Get into the school spirit by wearing our district colors of black and gold, and your picture might end up on the spirit wall.

I hope you and your families have a positive and productive week.
