

Dear Parent,

You are receiving this letter because your child has expressed an interest in participating in Chorus. That's great! Here are some things you should know about Chorus at MLK.

In Chorus, your child can expect to learn to be an even better singer. We'll learn how to make the most of our rehearsal time, so that we will be ready to entertain you at our concerts (dates TBA).

Chorus rehearsals happen during the school day, once a week, during the WIN (What I Need) period. This means your child will have Chorus once a week, and WIN 4 times each week.

Chorus Uniform is dark pants with the MLK Music Polo shirt. I'll send shirt order information after I receive your child's enrollment info.

If you have questions about Chorus, please reach out via email: lharrington@pway.org

Please return the form below by September 18th, so we can get started!

Thank you!

Mrs. Liz Harrington
