Dr. Gray's Sunday Snapshot

Week of February 10, 2020

Good evening King School families, this is Dr. Gray with your Sunday Snapshot for the week of February 10th.

- Last week the Literacy teachers lead our students in various **Black History Month** activities. For this second week of Black History Month, Math teachers will highlight African-Americans who have made contributions in the areas of Mathematics or Science. A quote from Dr. Mae Jemison, former NASA astronaut, and the first Black woman to travel into space will also run on the digital sign all week.
- It's finally here. Our annual **Dance-a-Thon** fundraiser sponsored by the MLK PTO will be held this Friday February 14th during the school day. Just a reminder that we are asking each student to contribute just \$5. Please feel free to donate \$10 if you want to make a donation for a child that might not be able to give. All of the proceeds will go directly towards our school trips, and to help make our Field Day the best ever! Thank you to all who have already sent in the envelopes with their donations. Remember, regardless of the donation, all students will be participating in the Dance-A-Thon.

- On Friday February 28th at 6:00pm we will have a **Tacos and Tiles fundraiser**. This will be an opportunity for you to decorate a ceiling tile that will hang in King School forever. Eating tacos is pretty cool as well! We only have room for a limited number of participants, so please follow the directions in the email message that was sent home to reserve your tile.
- Friday's school spirit day will be "**Valentine's Spirit Day**". Since Friday is Valentine's Day, wear the colors red or pink.

I hope you and your families have a positive and productive week.

"Let's Remember to Stay Connected"
